CERTIFICATE OF PARTICIPATION

This certificate is awarded to:

HEJŐKERESZTÚRI IV. BÉLA ÁLTALÁNOS ISKOLA

in recognition of their valuable contribution to the European Commission's Study on Supporting School Innovation in Europe (2018),
which was implemented by PPMI.

The school community has actively collaborated with national researchers, and participated in the preparation of the Hungarian case study report by hosting school visits, giving interviews, attending the change workshop and sharing their knowledge and experience in other formats.

The Study would not have been possible without their active and continuous support.
